

Form 33
Notice of person's wish to be party to proceedings

[Section 274](#), Resource Management Act 1991

- To the Registrar
- Environment Court
- Auckland, Wellington, and Christchurch

I, Helen Naylor, wish to be a party to the following proceedings:

ENV-2023-WLG-000005 Waka Kotahi New Zealand Transport Agency
Topic(s): DR: DR: resource consents and notices of requirement for Otaki to north of Levin state highway project

I am a person who made a submission about the subject matter of the proceedings.

I am not a trade competitor for the purposes of [section 308C](#) of the Resource Management Act 1991.

I am interested in all of the proceedings.

I am interested in the following particular issues:

1. Dust contamination of roof sourced drinking water during construction of the road.

I support the proposed General Measures as far as they go, however they do not ensure that dust is excluded from water tanks. For example, water trucks will not be operational at all times, wind can change direction or increase in the middle of the night and the 'complaints procedure' implies a reactive rather than a proactive measure.

In order to protect the quality of the tank water and the tank pump mechanism I believe it is import to prevent dust from entering the tanks.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.
