

**Form 33**  
**Notice of person's wish to be party to proceedings**

Section 274, Resource Management Act 1991

- To the Registrar
- Environment Court
- Auckland, Wellington, and Christchurch

I, Kevin Peter Daly, wish to be a party to the following proceedings:

ENV-2023-WLG-000005 Waka Kotahi New Zealand Transport Agency

Topic(s): DR: DR: resource consents and notices of requirement for Otaki to north of Levin state highway project

I am a person who made a submission about the subject matter of the proceedings.

I am not a trade competitor for the purposes of section 308C of the Resource Management Act 1991.

I am directly affected by an effect of the subject of the appeal that—

- (a) adversely affects the environment; and
- ~~(b) does not relate to trade competition or the effects of trade competition~~

I am interested in part of the proceedings.

I am interested in the following particular issues:

- Noise effects
- Visual effects and light pollution
- Transport linkages, including the extension of Liverpool Street, and cycleway connections
- Construction effects, most notably dust emissions
- Impacts on the Tara-Ika residential development, including housing yield

I support the proposal overall, subject to the following relief:

- Appropriate mitigation measures to address noise, light and visual impacts. Most notably including a landscaped bund along the road corridor for the stretch adjacent to the Tara-Ika residential development.
- Appropriate mitigation of construction related effects, including dust.
- Appropriate cycle connections, including between Tararua Road East and Tararua Road West, and a cycle overpass/underpass for the Tara-Ika residential development
- Adequate provision for the Liverpool Street extension being made.
- Due care is taken to mitigate the footprint of the roading corridor to ensure the housing yield of the Tara-Ika residential development is maximised.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.
