

Form 33
Notice of person's wish to be party to proceedings

[Section 274](#), Resource Management Act 1991

- To the Registrar
- Environment Court
- Auckland, Wellington, and Christchurch

We, Spark New Zealand Trading Limited and Connexa Limited, wish to be a party to the following proceedings:

ENV-2023-WLG-000005 Waka Kotahi New Zealand Transport Agency
Topic(s): DR: DR: resource consents and notices of requirement for Otaki to north of Levin state highway project

We made a joint submission on the above applications, a copy of which is attached to this notice.

We are not a trade competitor for the purposes of [section 308C](#) of the Resource Management Act 1991.

We are interested in part of the proceedings.

The part of the proceedings we are interested in are the Notice of Requirement to Horowhenua District Council (Reference 504/2022/22) and the Notice of Requirement to Kapiti Coast District Council (Reference RM220254).

We are interested in the following particular issues:

- The proposed conditions in Appendix 5 of the application documents.

We oppose the relief sought because the proposed conditions in Appendix 5 of the application documents do not contain any requirement for the Requiring Authority to consult with telecommunications Network Utility Operators during the detailed design phase. Such consultation would identify opportunities to enable, or not preclude, the development of new telecommunications facilities including access to power and ducting within the project, where practicable to do so.

We agree to participate in mediation or other alternative dispute resolution of the proceedings.
