To: The Registrar  
Environment Court  
CX10086  
Auckland

I, Federated Farmers of New Zealand, wish to be a party to the following proceedings:

ENV-2016-AKL-000190

The National Trading Company Of New Zealand Limited v Auckland Council

an appeal under section 156(1) of the Act.

I am a person who made a submission about the subject matter of the proceedings

I am not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.

I am interested in all of the proceedings.

I am interested in the following particular issues:

All of the issues raised by the Appellant

I support the relief sought because:

The provisions in the proposed Auckland Unitary Plan do not adequately provide for the interests of those who may carry out activities that involve earthworks in the vicinity of kauri trees.

I agree to participate in mediation or other alternative dispute resolution of the proceedings.
